WHY

Jim Young is an executive coach who guides male leaders through the key midlife transition from a life focused on achievement and accumulation into one where meaningful work and deep relationships take center stage for the lasting legacy that they truly wish to leave behind.

WHAT

GUIDING MEN TO...

- Overcome burnout, which is now rampant in the modern workplace
- Discover the deeper, more meaningful work that they can offer the world
- Dedicate more time to the people and life passions that they love most
- Build a lasting legacy in the second half of their careers

HELPING ORGANIZATIONS TO...

- Build strong, balanced, conscious, and healthy leadership cultures
- Create conditions that allow all stakeholders to thrive

HOW

"Jim is a deep thinker and great sounding board for individuals focused on leading and engaging people. Jim has real life experience that makes him a special coach. I would recommend Jim to any President, CEO, and/or Founder."

-CEO/Founder

"Jim has been instrumental in helping us to align our core values, vision, and strategic plan."

-CEO/Founder
